

Project Title: University of Georgia Cooperative Extension County Agent Programs

Project Leader: W. Scott Monfort, University of Georgia, smonfort@uga.edu

The Peanut Achievement Club recognizes 10 peanut growers from four districts across Georgia for their achievement of producing the highest yields in their district and acreage class. The Peanut Achievement Club dates back to the 1960's which was initiated by Frank McGill. The Peanut Achievement Club is grateful for the continued support from the Georgia Peanut Commission.
