

Georgia Peanut Commission

2025 Georgia Peanut Calendar Photo Contest

Terms & Conditions

The Georgia Peanut Commission is hosting a photo contest July 1 - Oct. 1, 2024, featuring peanut farms from across the state to fill the pages of the 2025 Georgia Peanut Calendar. Farmers are encouraged to submit their best high-resolution photo from throughout the growing season. The winning photos will capture the spirit of agriculture and give a glimpse into life on a peanut farm. Below are tips to consider when selecting a photo to enter:

- Make sure the photo is not offensive and avoid photos with large, easy to read corporate logos.
- Think about the months of the year and select photos that represent them.
- Make sure photos are taken in horizontal format, so they will fill the entire page of the calendar.
- Choose a photo you feel helps others understand more about how you care for the crop they love.

Eligibility: The contest is open to any Georgia peanut farmer or amateur photographer who has permission to photograph a Georgia peanut farm.

Contest Rules: All photos must highlight Georgia peanut production and have been taken in 2022, 2023 and/or 2024. Each entrant may enter up to three photos; however, only those of highest quality will be considered. All digital photos must be high resolution (300 dpi), taken horizontally and in a .jpg format. Photos will be judged on the use of angle, lighting, balance, color, contrast, viewpoint and technical ability. Photos taken with a phone may be disqualified due to low resolution. All photos become the property of the Georgia Peanut Commission and may be used for any purpose, such as publishing in print media, posting on GPC's website and social platforms or any other promotional use. The Georgia Peanut Commission has the final decision on any and all questions or concerns regarding rules, judging, eligibility, prizes awarded or anything else that may arise pertaining to the photo contest. Please submit photos with the online entry form provided on www.gapeanuts.com by Oct. 1, 2024, for consideration.

Prize: Up to 13 winners will be selected; twelve for the inside of the calendar and one additional for the calendar cover. Each of the winners will be entered for a chance to win Visa gift card.
