

Grant Report for Peanut Research 2024
Jennifer Miller Agent – Jeff Davis County

Title:

Peanut Variety Trial-- Jeff Davis County

Investigators & Cooperators:

Jennifer Miller – CEA Jeff Davis County
Scott Monfort – UGA Extension Peanut Agronomist

Funding Received:

\$750 (request was made for \$250)

Research Conducted:

Put in an On-Farm Peanut Plot with local grower Jason Yawn. There are 8 different varieties being evaluated. Each treatment is replicated four times. Data was collected on disease, yield and grade.

Use of Funds:

Funds were used to purchase the 6 additional bags of seed of 2 varieties needed cost was approximately \$250. The rest of the funds were used to host the Jeff Davis County Peanut Production Meeting on 1/24/25. Twenty-five growers and AG business clients were in attendance and received updates and materials from the UGA Extension Peanut Team.
